## Party Tent Packages

### Rope & Pole Tents

Rope & pole tents are the most cost effective way to provide cover for your party or event. These tents have center poles and must be staked into the ground. Each tent has rope lines that extend out approximately 6' around the perimeter of the tent.

### Frame Tents

Frame tents are self-supporting units that can be set on grass and most other surfaces, staking is normally required. This is the perfect tent style to put up right in front of the garage.
