## Party Tent Packages

### Rope & Pole Tents

Rope & pole tents are the most cost effective way to provide cover for your party or event. These tents have center poles and must be staked into the ground. Each tent has rope lines that extend out approximately 6' around the perimeter of the tent.

### Frame Tents

Frame tents are self supporting units that can be set on grass and most other surfaces, staking is normally required. This is the perfect tent style to put up right in front of the garage.

These packages include tents, chairs and tables for seating and serving food plus linen tablecloths to top off your event. Our tents come in a variety of sizes and colors with options for lighting, sidewall, dance floors and more. Table and chair setup and takedown services are also available if needed. Delivery charges are based on the distance to your location.
